

To All Local 25 Members,

As of January 1, 2022, through December 31, 2022, the Joint Union Employer Training Fund (JUETF) will cover a one-time payment for a Merchant Mariner Credential (MMC) for members working on a floating vessel. Members must be in good standing and meet all criteria of the JUETF. Once you have the credential in hand, you will receive your reimbursement. You can reach out to Training Director Heather Bawgus at (434) 477-0430 to get your paperwork. Feel free to call Headquarters for any questions or concerns.

Fraternally,

President and Business Manager
