To All Local 25 Members:

RE: JUETF Merchant Mariner Credential Reimbursement

The Board of Trustees of the Joint Union Employer Training Fund (JUETF) have elected to add the Merchant Mariner Credential (MMC) to the list of approved courses. Members in good standing who are pre-approved will receive a one-time only reimbursement for their MMC. This election will stand indefinitely through the JUETF. Members must be in good standing and meet all the criteria of the JUETF. Once you have the credential in hand, you will be eligible to receive your reimbursement. You may reach out to Devin at (732) 446-6262 ext. 01 to obtain the paperwork or visit the “Members Only” section of our website at [iuoe25.org](http://iuoe25.org) under the “Training” tab. Feel free to call Headquarters with any further questions.

Fraternally,

Anthony Gonsiewski, Jr.  
President & Business Manager
